Made in U.S.A.

## The best seat in the water!

The new Aqua Float™ allows all ages to enjoy the water in a comfortable, seated position. Sturdy yet flexible, its structure and versatility make it perfect for:

- Relaxing in the lake
- Enjoying the pool
- Fishing and water sports

*“Our kids love using them in the pool, and our friends think they are perfect to use when we go on the lake!”*

*M. Tidwell*

A great addition to spring and summer inventory, Aqua Float is easily displayed:

- Upright in our “Ship First/Display Later” box
- Stacked horizontally on your shelf
- On hooks to hang on the wall
